

GRUPA VI

A bulletin board with a red, textured background. At the top center is a yellow label with the text "GRUPA VI". The board is decorated with several autumn leaves in shades of orange, yellow, and brown. There are 12 identical charts pinned to the board, each titled "pyramida zdrowia". Each chart is a pyramid divided into five horizontal sections, containing various food icons such as fruits, vegetables, grains, proteins, and dairy. The charts are arranged in a grid: two columns of three on the left, two in the center, and two columns of three on the right.
