

Narysuj tyle kwiatów, ile wskazuje liczba na wazonie.

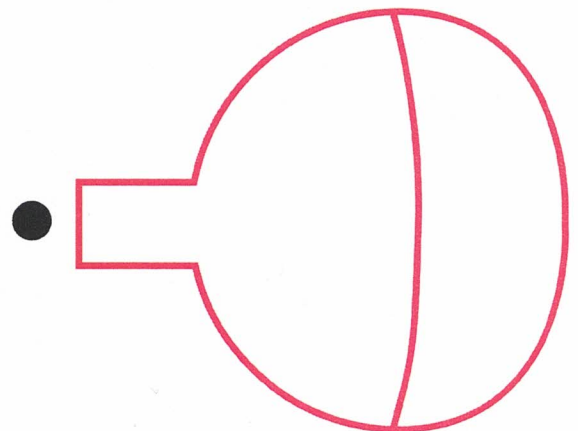

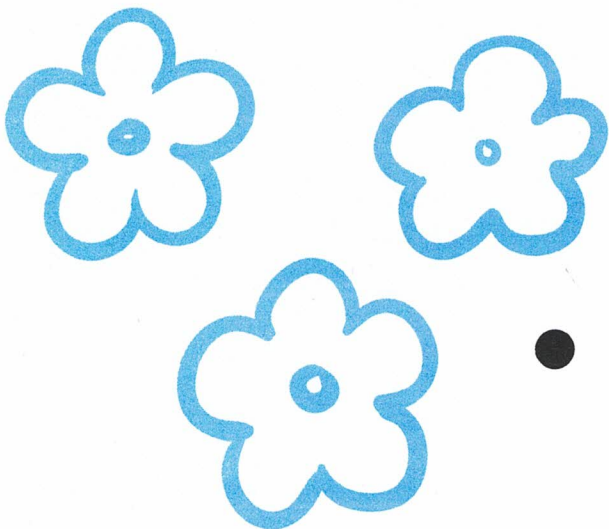

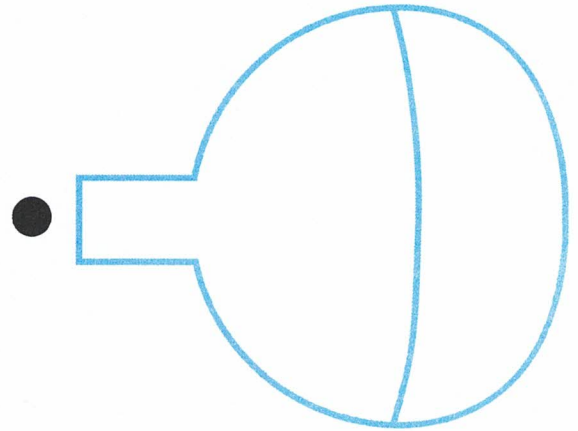

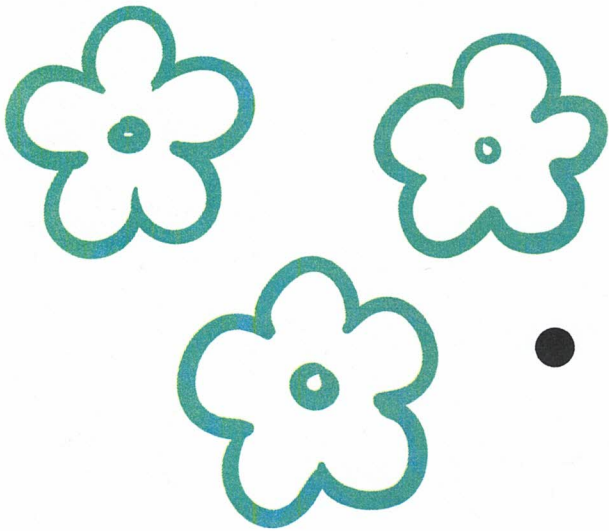

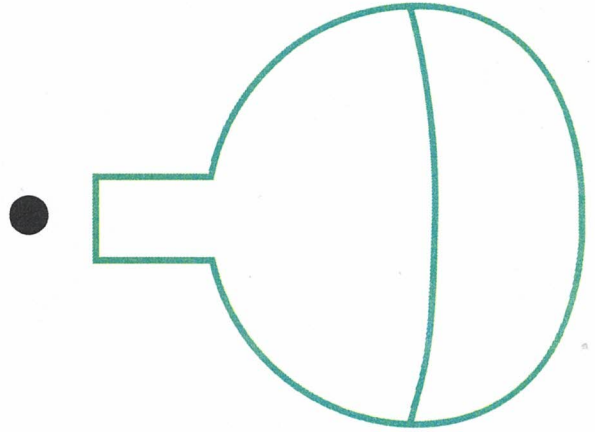

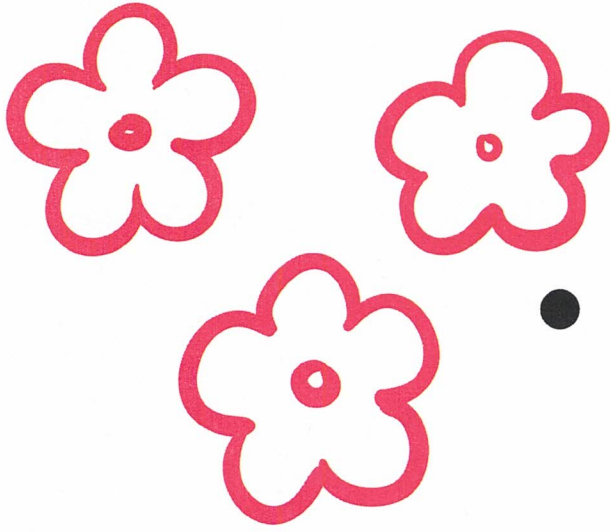

Policz tulipany w każdej doniczce i wpisz odpowiednią liczbę w wyznaczone miejsce.

Połącz kwiatki z takim samym kolorem wazonu.

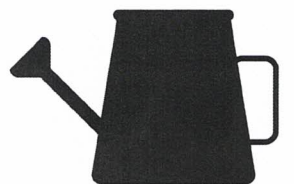

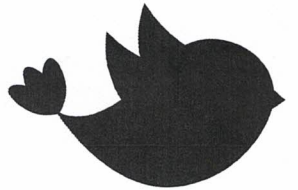

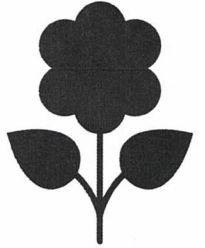

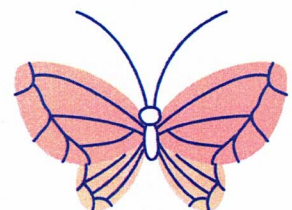

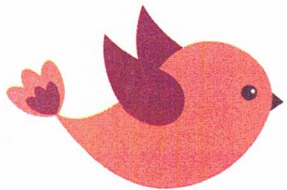

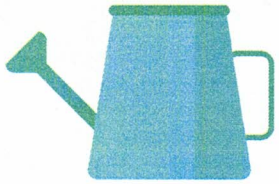

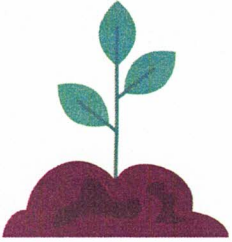

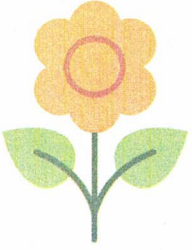

Połącz w pary motyla i chłopca pod względem koloru.

Połącz ilustracje i ich cienie.

Otocz pętlą takie same motyle, a następnie policz i wpisz odpowiedni wynik w wyznaczone pole.
